### Featured Speakers:

Ann Swannack, Chapter Vice-president  
Dr. Dave Huggins, Soil Scientist, USDA-ARS, Pullman, WA  
Tabitha Brown, Associate in Research, Crop and Soil Sciences, WSU  
Dr. Jeff Smith, Soil Scientist, USDA-ARS, Pullman, WA  
Pawel Szafruga, Undergraduate Honors Program, WSU

### Registration Information:

Registration at the door, \$15 SWCS members; \$20 non-members; \$10 students. For “new members” received at the door (\$75), the registration fee will be waived. Registration includes payment for a box lunch.  
No advance registration.

### Parking Information:

Parking permits are available at the WSU Visitor Center in downtown Pullman for \$4.80. They also have a campus map and can give directions to the L.J. Smith Engineering Building. (Note, there are three Smith buildings so they need to know which one.) State/Federal vehicles are exempt.

*For more information, check out: [http://www.parking.wsu.edu/visitor\\_parking](http://www.parking.wsu.edu/visitor_parking)*
